## PANAREA

A handful of volcanic islands in the heart of the Mediterranean give impulse to a stone look with true character. Panarea expresses the charm of lava stone through an exciting and complete ceramic collection: four shades ranging from a vivid ash gray to a sophisticated slate black, seven different sizes, two thicknesses for indoor and outdoor installations, and an amazing array of mosaics blending the different colors in the line.

Slight shade variation from tile to tile lends personality and natural movement. Multi-color mosaics evoke a typically Italian decorative tradition.
