AN ITALIAN STORY

There are places where it's  
easy to believe beauty will  
last forever.

## LAPIS

Lapis endows elegance and the pure strength of natural stone to our surroundings, places where we live, work, or pass through, places marked by time and the emotions of our lives.

Five colors available in two thicknesses, five sizes for indoors and one for outdoors, mosaics and three-dimensional, textured decors: Lapis, a collection of seemingly sculpted stone, with endless choices and accessories created for warm and refined contemporary living.
